

IPA Snap Swab - 4.5''

Packing : 25 swabs per Zip-lock bag ; 50 swabs/box
Nominal Size Dimension : 4.5''
Part Number : IPASS-4.5

Features & Benefits

- 100 ppi , open cell polyurethane rectangular foam tip.
- Non abrasive.
- Foam is sealed directly onto the plastic handle without use of adhesive to make it more environmental friendly.
- Easy handling
- Excellent for removing ink stains, adhesive residue , and debris on the print head.

Applications

- Computer keyboards.
- Optical and magnetic head devices.
- Electronic components.
- Thermal Printers (card printers, barcode printers, label printers, receipt printers)
- Inkjet printers

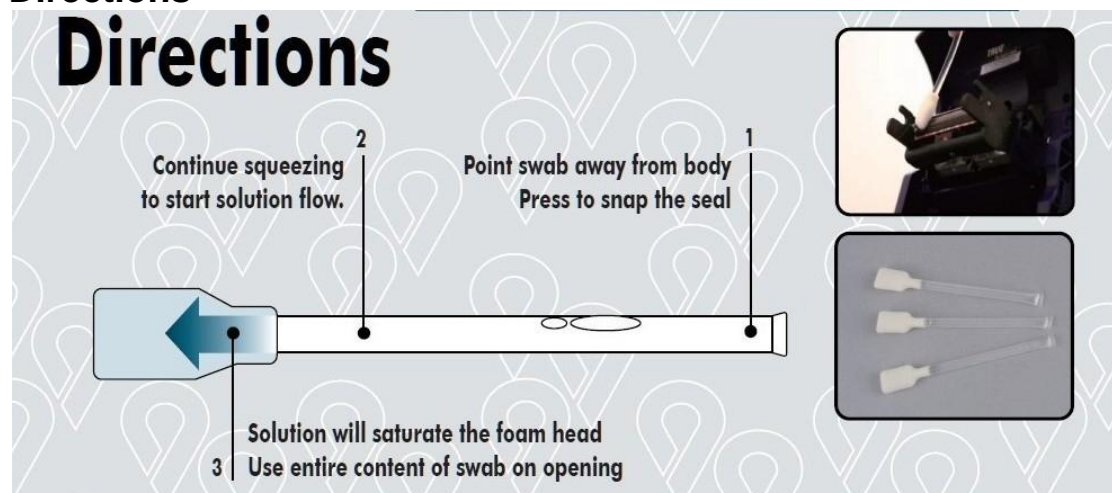

Characteristics

The plastic handle on the swab is filled with 99.9% IPA solution.

Simply squeeze or snap the plastic handle and the foam head becomes saturated with just the right amount of cleaning solution.

Clean the Thermal Print Head by using a back & forth motion to effectively remove dirt and debris accumulated on the print head thus extending its life and maintaining a readable image.
